

*Votes to Repeal the CLASS Act*

Washington, DC- Congressman Steve King (R-IA) released the following statement today after he voted to repeal the Community Living Assistance Services and Supports (CLASS) Act:

"Today the vast majority of Democrats in the House opposed the repeal of the CLASS program, an unsustainable component of ObamaCare that even President Obama's administration cannot 'see a viable path forward' for," said King. "This program is a confirmed failure, but Democrats continue to focus on holding on to this legislative trophy rather than on the future of America."

"Those who voted for ObamaCare, and those who voted against repealing the CLASS Act, have made it clear that they do not care if their government experiments work, as long as they pave the way for socialized medicine. This vote is proof that everyone who voted for ObamaCare voted for socialized medicine. I will not rest until ObamaCare is 100% repealed."
